I have a potential conflict with the hearing set in the matter for Oct. 4<sup>th</sup> at 11:30. I have another hearing set for 1:30 in a substantial workers compensation case. ORS is willing to accommodate my schedule. Could we re-schedule the hearing for early Monday morning on the 4th? Alternatively, would it be possible to move the hearing a day or two. I believe the matter will be brief. Please let me have your thoughts. As always, I appreciate your accommodation.
